Yorkshire Wildlife Park – Y4 Visit

Dear Parents,

As part of our Year 4 Narrative curriculum and Science work on classification of animals and food chains, we have arranged a visit to the Yorkshire Wildlife Park on **Wednesday 22nd May 2019**. The day involves a range of activities including a workshop where the children can handle living things, visits to the animal enclosures and talks from the Rangers.

We shall be leaving school at **9.00am** and returning to school for approximately **3.30pm**. We will inform parents via text or twitter if traffic causes us to be significantly late. **The children must be at school by 8.45.** Children will be required to wear school uniform, sensible footwear and a suitable coat. He/she will need a packed lunch and a drink of water **in a backpack**, which they will carry during the day.

As our weather is unpredictable please bring sun cream or a rain coat as you see fit on the day.

We are sure you will agree that this will be a fun day out with lots of interaction and will really enhance our curriculum work. To enable this trip to take place, we require a voluntary financial contribution. Costings are based on 100% of parents making this voluntary contribution. School does not make any profit from educational visits. If insufficient contributions are received, the trip will be **cancelled** for **ALL** children.

The cost for this visit will be £16.00 which is payable on line via Parent Pay by **02 May 2019**. The cost covers coach travel, entrance to the park and the workshops.

If your child is entitled to free school meals and requires a free packed lunch then please contact the school office to arrange.

Please note: *In line with our School Behaviour Policy the school will take note of the general behaviour of all pupils for this visit. Inappropriate behaviour in school may result in your child being withdrawn.*

Yours sincerely
Y4 Teaching Team
