

# Southdale Sparkle

10 July 2020

## Southdale Sparkles!

We are proud and excited to be launching our new wraparound provision – 'Southdale Sparkles' from 8th September 2020. We are delighted to introduce the members of our new team:

**Meg,**

*"I am a creative person and come from a sports background – I cannot wait to get started with Sparkles and have lots of ideas on how to make it fun!"*

**Liz,**

*"I have a flair for the unexpected so I guarantee that the Sparkles wraparound provision will be full of fun, excitement and maybe the odd surprise!"*

**Mr Nash,**

*"I am very excited to become part of the breakfast team at the Sparkles provision. I am looking forward to welcoming the children each morning and setting the stage for a great day at Southdale."*

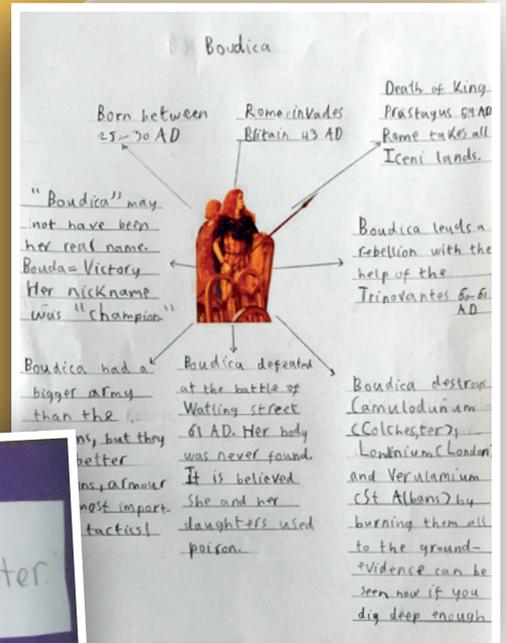

To find out more about Sparkles or to book a place for your child in September please contact school.

# Who on Earth is Boudica?

On our journey to Britannia we kept hearing about the painted warriors and Queen Boudica. Well, this left us with lots of questions. What makes her so special? What kind of leader is she? Who are these people? What are their lives like? Where does she live? All questions which Juba wanted to know the answer to. Being the inquisitive, resourceful people that we are, we have been busy discovering the answers to these questions for Juba.

In art, we have been creating Iceni tribe patterns.

1. Boudica was married to King Prasutagus and they had two daughters there were called Epona and Bonvinea.
2. Boudica died by drinking a deadly potion.
3. King Nero whipped Boudica in front of her people.
4. Boudica fought with Boratta in Colchester in Londinium.
5. The Romans defeated Boudica's Army.

I am a Roman Soldier  
 Feared by many men

*Gloria faciet illis dominus vineae*  
 (Glory will be ours)

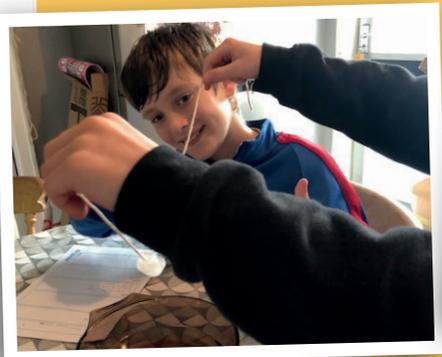

The swords and shields  
 We carry bare heavy on our arms

I am a Roman Soldier  
 And I am so sick of fighting

# Gone Fishing!

*We have also been busy in science starting experimenting with ice. In fact, this week we have been 'ice fishing' – we used salt to see what effect it would have on the ice cubes. Look at how many ice cubes we successfully managed to 'catch'.*

*We are really looking forward to seeing you and catching up with you all in our goodbye sessions next week.*

Having successfully reached the top of Everest, Y5 have written postcards home describing their amazing experience. We used effective artwork to design the front of our postcards.

What an experience I am currently having. This trip is amazing I didn't think I would be able to climb the tallest mountain in the World, but I did it. Now I must come back to base camp. I'll see you in 53 days.  
I completed my objective and most importantly without a scratch!  
You probably know what I'm going to say. The journey was a lot more worrying than thought it was going to be. When we got to death zone. I had a lack of oxygen, so I thought I was going to die.  
This was an experience of a life time and I will remember it forever.  
I made some friends on my way up to the summit like my leader and people in my group.  
Missed you lots and see you soon  
Love Louie

# The adventure of a lifetime!

*We have been reflecting on all that we have learned this year and the amazing memories we have made - we discovered the plight of a refugee in 'The Island'; travelled back in time to the Great War; discovered the Shakespearean world of Romeo and Juliet, through the eyes of a CSI investigator; solved the mysteries of the enigmatic Harris Burdick; and embarked upon the voyage of a lifetime as we set sail on the HMS Titanic.*

*In addition to this, we have had an amazing residential to France and Belgium, a masked ball and many other Y6 treats. It has been such an awesome year we felt we just had to write a guide for next year's Y6.*

*We have also been planning activities to ensure our final week at Southdale is as awesome as possible - watch this space!*

# Achievements

## Head teachers Award

**Izabella BT**

For what can only be described as a truly amazing pirate shadow puppet performance!

## Special Mentions

3LH	<b>Lara S</b>	For super work inside and out of school. You are a little star with a gorgeous smile.
3LS	<b>Lexi-Mae J</b>	For working hard to complete your home learning every week. You're a star!
3SG	<b>Matthew A</b>	For all your fantastic home learning. You are a superstar!
4EB	<b>Matthew B</b>	For working really hard on his maths work online – well done!
4RD	<b>Kayden R</b>	For a positive attitude and working so hard on the MYMATHS questions – well done!
4RR	<b>Melissa W</b>	Melissa, you have worked so hard on all of your school work throughout lockdown. I'm so proud of the independent young lady that you are. Well done!
5AM	<b>Lilia S</b>	For writing a lovely message to her Y3 buddy this week. Well done :)
5EZ	<b>Freya T</b>	For working incredibly hard at home. You superstar!
5GT	<b>Isabelle C</b>	For working hard at home and creating a brilliant model of Everest!
6KD	<b>Alicia V</b>	For a great week – working really hard on her art work and her guide to Year 6.
6MF	<b>Imogen B</b>	For an outstanding and sustained effort in all of her home learning throughout the last two terms. A true superstar!
6ZR	<b>Isla M</b>	For working extremely hard on her writing and producing wonderful, vibrant artwork.

### TT ROCKSTARS

#### Most improved

<b>1</b>	<b>Alicia W</b>	<b>6ZR</b>
