

# Southdale

## C of E Junior school

Shining like stars in the universe

### Year 3 – Week 4 (25/1/21)

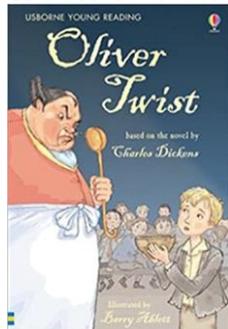

A Victorian Child		
Responsibility	Poverty	Exploitation

### Narrative Immersion

After speaking to mining families and Mr Robert Clarke, the pit owner, the pit inspectors have a chance to summarise and conclude their findings. A meeting is held with commissioners and Lord Shaftesbury to feedback and to consider what changes need to be made to protect children and what needs to be done to rescue families from a life of poverty.

### Guided Reading – 9:30 – 10am

Week 4 – Fiction

This book introduces children to the author Charles Dickens and tells the story of a young orphan called Oliver and the horrors he faces at the workhouse and whilst living on the streets of London. It explores the themes of poverty, responsibility and exploitation.

### English – 10:15 – 11am

- Commissioners Report

This week, the pit inspectors will conclude their findings.

The commissioner's report will detail the working conditions of the child miners and explain what needs to change in order to improve the lives of these mining families.

### Maths – 11:30 – 12 noon

This week in maths, we are continue to divide number mentally. We will recap this method pictorially, before moving onto visualising the concept on a number line and then solving problems involving division with remainders.

If time, children will begin to learn the formal division method.

$$52 \div 4 =$$

Tens	Ones
10 <del>X</del>	1 1 1
10	1 1 1
10	1 1 1
10	1 1 1

$$4 \overline{) 52}$$

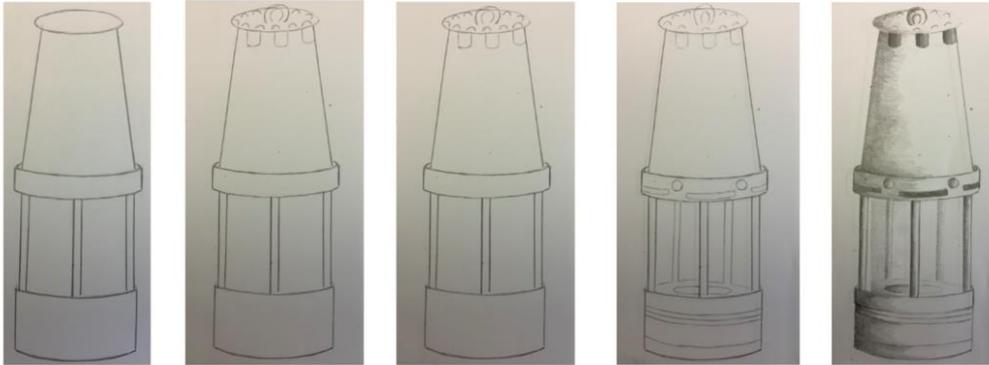

13

## Spelling – Unit 9

Adding the suffix 'ing' to words ending in 'e'.

## Art – Monday Afternoon 1:45 – 2:30pm

Sketch and shade a Davy lamp.

## RE – Tuesday Afternoon 1:45 – 2:30pm

Following on from the previous lesson, children learn about what is special to two Hindu children called Simran and Vjar. Children discuss what the similarities and differences are in terms of what they value and believe to be important in comparison to children of a Hindu faith.

## RSE – Tuesday Afternoon

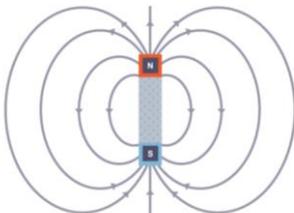

Well-being lesson – How to deal with change

## PE – Wednesday Afternoon 1:45 – 2:30pm

HIIT (High Intensity Interval Training)– Mrs Thomas

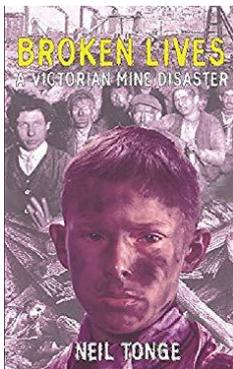

## Science – Thursday Afternoon 1:45 – 2:30pm

WALT: investigate whether a magnet's magnetic field can be blocked.

Children investigate if the magnetic field around their magnet can be blocked using different materials like glass, cardboard, wood, ice, water etc.

## Class Read – 2:45 – 3:05pm

This book places the children within the Victorian era (1840's) where they meet a mining family. Children will learn about children's mining jobs and the dangers down the pit. The story ends with a visit from a pit inspector who has been commissioned by Queen Victoria. It explores the themes of poverty, responsibility and exploitation.

## Friday – Year 3 Well-being Day

See suggested timetable in Teams
